

Lunch time walks —30 minutes or 50 minutes

Both walks start and finish at the Corbinerie exit. Take the footpath inside the PEH grounds and follow the green route for a 50 minute walk. It takes you down Donkey Hill, with the douit at the bottom, and then around in a circle back to the top of the hill. Keep doing left turns. You will pass the parish boundary between St. Martin and Castel. For a 30 minute walk follow the circular yellow route following the green lane (which can get muddy after a lot of rain!).
